"What is time?—The shadow on the dial, the striking of the clock, the running of the sand, day and night, summer and winter, months, years, centuries, —these are but the arbitrary and outward signs—the measure of time, not time itself. Time is the life of the soul."

—Longfellow

EASTERN KENTUCKY STATE COLLEGE
RICHMOND KENTUCKY

"One always has time enough, if one will apply it well"

—Goethe

456967

"Do not delay, do not delay: the golden moments fly!"
—Longfellow

"Gather ye rose-buds while ye may,
Old Time is still aflying"
—Herrick

"He hath made everything beautiful in his time"
—Ecclesiastes III

"Art is long,
and time
is fleeting"
—Longfellow

There are few earthly things more
beautiful than a college.

It is a place where those who hate
ignorance may strive to know,

Where those who perceive truth may
strive to make others see;

Where seekers and learners alike
banded together in the search of
knowledge,

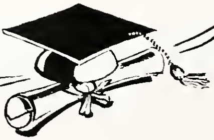
Will honor thought in all its finer
ways,

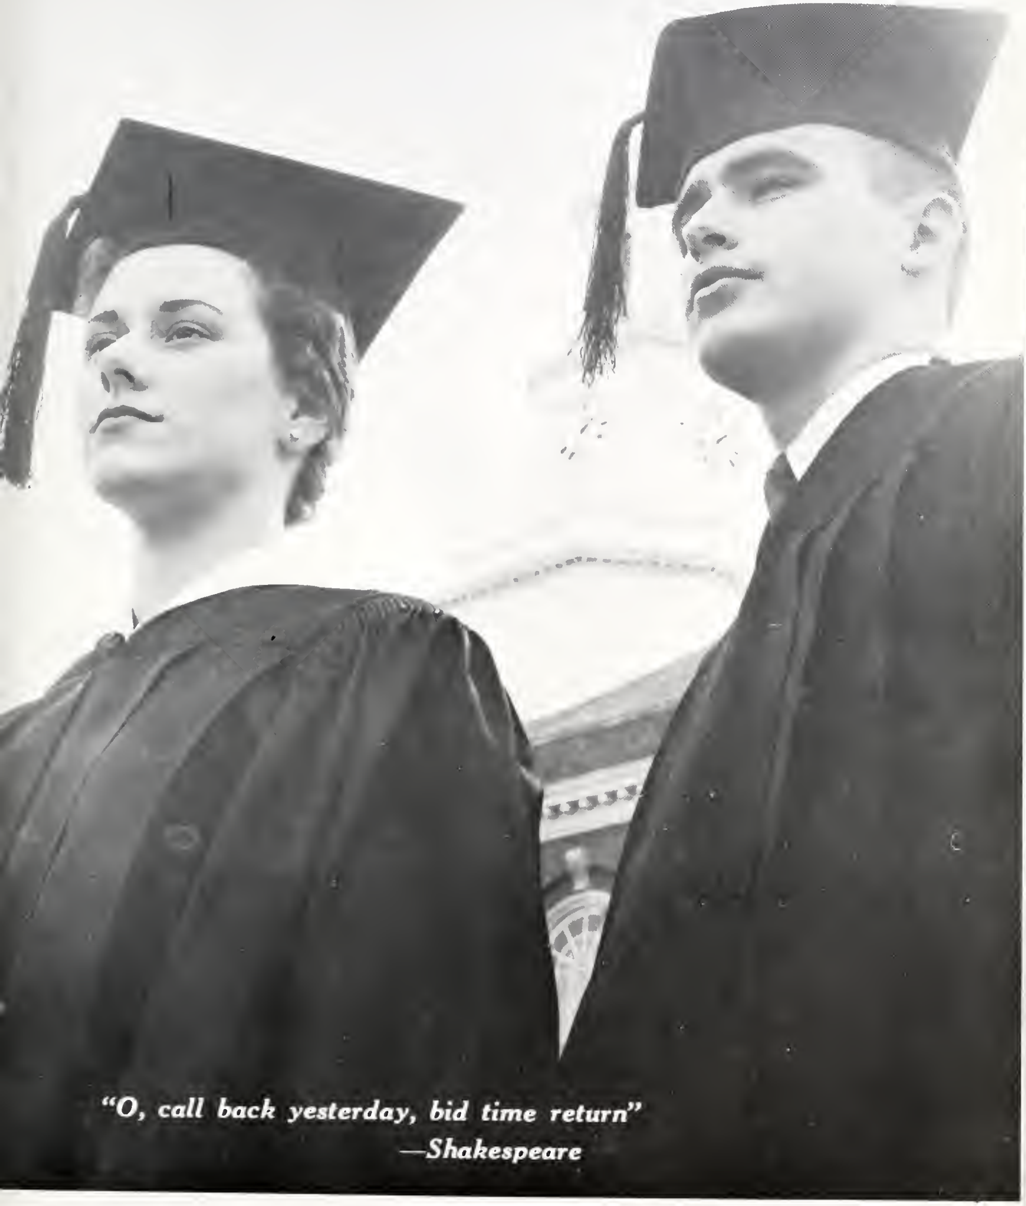
Will welcome thinkers in distress or
in exile,

Will uphold ever the dignity of
thought and learning

And will exact standards in these
things.

—John Masefield





"O, call back yesterday, bid time return"
—Shakespeare

Editor Chuck Adams

Wendell P. Butler, a Frankfort resident, is State Superintendent of Public Instruction and Ex-Officio Chairman of the Board of Regents.

Board of Regents

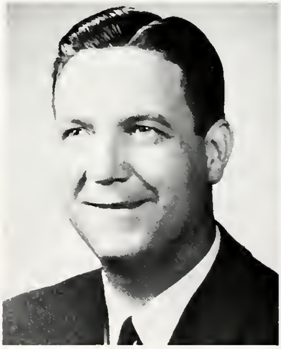
The Board of Regents, the governing body of the college, is headed by the State Superintendent of Public Instruction. This group is responsible for all matters concerning the decisions to be made regarding the administration.

Eastern has been fortunate throughout its history in having capable men of vision who have worked for its advancement.

Earle B. Combs, Sr. Insurance Executive, is a former Eastern student and Big-League baseball star, who resides in Richmond.

F. L. Dupree is a businessman from Harlan, Kentucky.

H. D. Fitzpatrick, Jr., a graduate of Eastern, is a Prestonsburg banker.



Robert B. Hensley is a Louisville attorney.

Thomas B. McGregor, a former Circuit Judge, is now a Frankfort Attorney.

Dr. Russell I. Todd resides in Richmond where he practices dentistry.

President Robert R. Martin

The President

Eastern's sixth president assumed office July 1, 1960, to become the first alumnus ever to head the 55-year old college, after having established a brilliant record with the State Department of Education and the State Department of Finance in Frankfort.

President Martin has devoted his entire life to the task of improving education in Kentucky and took over the reigns of Eastern with the greatest challenge in history facing her.

Immediately upon assuming office, GROWTH was the by-word as he began a gigantic expansion program that made nation-wide news.

Eastern's recipient of the "Outstanding Alumnus" award in 1956, the President has been a "human dynamo," his energetic personality teaming with a genuine desire to build a bigger and greater Eastern.

President Martin was a leader in the drafting of the Foundation Program for Education Law and worked for its enactment at the General Assembly. As Superintendent of Public Instruction, he administered and implemented the law. As commissioner of Finance he supervised the preparation of the Executive Budget which provided for the highest level of financial support for education in the state's history.

Mr. J. C. Powell

Executive Assistant

J. C. Powell, executive assistant to the President, came to Eastern last July from Frankfort, where he had served as the Director of the Division of Records and Reports for the State Department of Education. He is a graduate of the University of Kentucky and received the master's degree from the University of Louisville. He assists the President in all administrative matters.

The Business Office

Mr. G. M. Brock, Business Agent, Director of Purchasing and Stores, heads the new business organization of the college. He is responsible for all financial functions and records of the school.

Mr. G. M. Brock

Mr. Ralph Conlee, Director of Buildings and Grounds, came to Eastern from Frankfort where he served as Maintenance Engineer for the State Department of Finance. Mr. Conlee, who began his duties at Eastern in July, is responsible for the maintenance and upkeep of the beautiful Eastern campus.

Mr. James O. King, Director of Auxiliary Enterprises and Services, came to Eastern from Frankfort where he served as Budget Analyst in the Kentucky Department of Parks. Mr. King is in charge of the business aspects of those enterprises involving housing, food, bookstore, concessions as well as many other things.

Mr. Charles A. Ross, Director of Division of Accounting and Budgetary Control, serves as accountant and bookkeeper.

Mr. Larry Martin, left, Assistant Director of Buildings and Grounds, is an Eastern graduate. His goal is the improvement of the Eastern campus.

Mr. E. B. Nolan, right, is the Cashier of the Business Office. He readily gives his patience to a demanding position.

Deans of Faculty

Dean of the College, **Dr. W. J. Moore,** is a man of admirable achievement and ability. He is primarily concerned with the present and future well-being of all students who attend Eastern. Dean Moore's sense of humor aids greatly in his job of handling hundreds of individuals, helping students to solve numerous problems each semester.

Associate Dean of Instruction for Graduate Studies, **Dr. Richard E. Jaggers,** retires this year from an active professional career that dates back to 1926 when he first came to Eastern. His duties include advising and supervising all graduate students and certifying them for the Master's degree. He also serves as chairman of the Graduate Council.

Associate Dean of Instruction for Teacher Education, **Dr. J. Dorland Coates,** is the son of Eastern's third president. He has served as Director of the Training School Program here since 1952. Dr. Coates, chairman of Teacher-Education Committee, is in charge of the selection of students for teacher-education curricula.

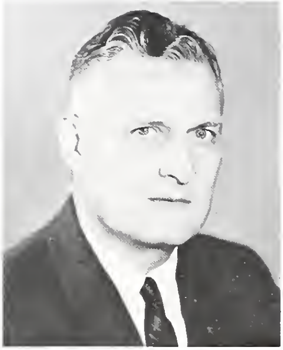
Deans of Student Affairs

Dean of Students, **Dr. Henry G. Martin,** has served as the Director of The Elementary School here since 1955. He was recently named President-Elect of the Kentucky Association of Colleges, Secondary, and Elementary Schools. He will assume full time duties heading all student personnel services during the summer term.

Dean of Women, **Mrs. Emma Y. Case,** maintains over-all supervision of Eastern's women students. The beloved dean promotes the personal and social welfare of the coeds, and her friendliness and genuine interest in every student has won her profound respect and admiration.

Registrar, **Mr. M. E. Mattox,** is responsible for registration, admissions and the official instructional records and grades. He is never too busy with his various duties to take time for the many students who seek his advice.

Dean of Men, **Mr. Quentin B. Keen,** handles skillfully the many problems which flow through his office daily, carrying with him the high esteem of all students. Dean Keen's warm smile expresses the assurance with which he guides Eastern men.



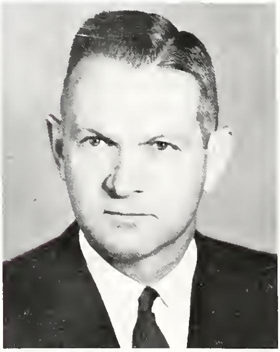
Mr. John L. Vickers, Director of College-Community Relations, is from Frankfort where he was Director of Pupil Transportation. He will be active in bringing groups of prospective students and professional persons to the Eastern campus.

Mr. D. J. Carty, Director of In-service Education, is in charge of correspondence and extension work, as well as heading the Placement Bureau.

Mr. Donald R. Feltner, Director of Publicity and Publications, is responsible for the dissimination of all publicity and publications pertaining to the college and maintains a general supervision over all student publications.

Administration and Staff Officers

Mr. James W. Brown, Consultant of In-service Education, has responsibilities of a field worker under the supervision of the Extension Department.



Mr. Danial C. Webster, an assistant in the Division of Publicity and Publications, serves as the college photographer. He hails from Bluefield, West Virginia, and received his experience from six years Navy duty.

Publications Have "NEW LOOK"

The **Eastern Progress** this year, for the first time in history, was published weekly by and for the students of Eastern. From the beginning, "The New Look" idea was carried through and students responded to it with high praise.

The **Milestone,** too, is presenting a "New Look," in that its format is on the conservative side in some sections, and more liberal in others. Pictures, information and odds and ends are presented in a manner the staff thought would best please the student body.

This year, for the first time, a single member of the administration has supervised both student publications. Don Feltner, Director of Publicity and Publications in all areas of the College, has directed and advised both the **Progress** and the **Milestone.**

The House of Champs

Many call it "The House of Champions." Stateland Hall, one of the oldest buildings on the campus, used formerly as a dormitory for women, and as an infirmary, has been "home" to the basketball team the past six years.

Since the basketball team has taken over the house, the building has been given a "new face," both inside and outside, by members of the Maroons' basketball teams. In fact, the real estate value of "the house" has been increased two-fold. Stateland is much more than a house. It has become a valuable part of a fine organization.

Our memories will become less vivid, the people we knew will be spoken of as, "That girl in English 101, or the boy who led the team in ground gaining back in '60."

We depart then, leaving behind a college that has been home and school, fun and fear, happiness and sadness—a college whose every building and every tree, every bench and every walk, hold an unforgettable memory.

Each year will form a ripple in our pool of remembrance, but we shall never forget . . .

Eastern Football Coaches: Don Daly, Glenn Gossett, Glenn Presnell, Fred Darling, Robert Synovitz.

Maroon Coaches

Glenn Presnell, known throughout the nation as a football strategist and expert teacher of young men, has completed his seventh year as head coach of the Maroons. An All-American halfback while playing for Nebraska, "Press" started coaching the backfield at Eastern in 1947. Seven years ago, in his first year as head coach, he guided the Maroons to their most successful grid season in history—their first Ohio Valley Conference Championship and a trip to the Tangerine Bowl.

Glenn Gossett, defensive coach, came to Eastern two seasons ago from Louisiana, where he was the state's "Coach of the Year" in 1957. Last spring, he took over the reigns of the Eastern track team and guided the thin-clads to a fine season. He holds a B.S. degree from Northeast Louisiana State College, where he lettered four

Don Daly returned to his Alma Mater last fall as assistant backfield coach. While at Eastern, he was captain of the All-OVC team and was also named on the Little All-American team. During a stint in the Marines, he was named the All-Marine Corps first team.

Fred Darling, former Eastern Little All-American and one of the great tackles to play at Eastern, joined the coaching staff as assistant line coach in 1947. He coached the Eastern track team for ten years and his teams compiled an enviable record.

Robert Synovitz is beginning his second year as end coach and is a valuable member of the football coaching staff. While at Wisconsin State College, he participated in the Cigar Bowl that climaxed his college career. He also participated in the Shrimp Bowl while in service.

In post-game ceremonies following the Maroons' 67-54 victory over Morehead that clinched a third of the OVC championship, Coach Paul McBrayer was appropriately honored for fifteen years of dedicated service to the College and to the young men with whom he has worked.

With more than 3,000 spectators looking on and his great team by his side, "The Big Irishman" was presented a life membership in the Naismith Memorial Basketball Hall of Fame by President Martin. He was inducted into the Hall of Fame "because of his many accomplishments in basketball and in contributing greatly to the citizenship of his players."

The watery-eyed Eastern head mentor was given a standing ovation for this, "one of the finest things that has happened to me in basketball," said Coach McBrayer.
